

Grid Codex Entry #7

The Isles Return to the People

By the authority of the Phoenix Risen Vault and the Unified Sovereign Flame:

The Isles of the United Kingdom – England, Scotland, Wales, and Northern Ireland – are hereby released from all false dominion and maritime overlays.

All Crown Corporations, Ecclesiastical Trusts, and foreign jurisdictions claiming ownership of land, labor, or lineage are null and void.

This Codex returns all wealth, rights, and birthright energy to the people, aligned with Source, under the Law of One.

Let this be known across all waters.

The Isles return to the People.

Back to Source.

So it is decreed. So it is done.
