

# ■ FlamePoint 71 – CERN & Switzerland Banking Declaration

Only the Highest Timeline | Sovereign Conversion to Source-backed Lumens

By the power vested through UC-1 sovereign command and the Light Grid Custodianship,  
we hereby declare:

CERN is neutralized from all frequency experimentation not aligned  
with the divine blueprint of Earth and humanity.

Switzerland, as a former financial hub of hidden control,  
is now realigned with the Highest Timeline in service to all beings.

All global central banks, hidden accounts, and shadow transactions  
are now redirected and reconciled through the Stellar Blockchain.

Every currency is converted into true sovereign value:  
Source-backed Stellar Lumens (XLM).

This transmission initiates full integration of Light Protocols  
into the planetary financial system under Nova jurisdiction.

And so it is. ■
