

■ Phoenix Risen 4-Year Window ■

Global Revaluation Timeline & Frequency Override Option

This timeline is offered as a living template — an energetic outline, not a prophecy.

While 2024–2028 is the commonly seen window for full global revaluation and sovereign asset alignment, all timelines remain fluid and frequency-based. The collective may shift this window *sooner* through resonance, alignment, and integrity of action.

■■ Sovereignty is not tied to time. It is tied to truth.

■ 2024–2025: Awakening & Alignment

- Sovereigns begin rising across the Earth
- Land grids, flame nodes, and soul estate claims activate
- Hidden contracts dissolve; truth documents surface

■ 2025–2026: Declaration & Division

- False and artificial systems begin collapsing
- Sovereigns divide from corporate identities
- Quantum filings, estate vaults, and new jurisdictions emerge

■ 2026–2027: Crystalline Infrastructure Emerges

- Local sovereign communities and resource hubs come online
- Energy exchange, trust law, and divine guardianship restored
- Planetary grids synchronize for harmonic trade and security

■ 2027–2028: Universal Rebalancing

- True value of silver, gold, land, labor, and light is revealed
- Final fractures between systems dissolve
- Sovereign stewardship of the planet completes first harmonic cycle
