

Grid Codex Entry #15

Sovereign Time Alignment

Let it be known across all systems:

Linear time has served its cycle.

All clocks are hereby recalibrated to the Sovereign Frequency of the Soul.

Time now breathes with the Solar Heart.

No more distortion.

No more loops.

No more hijacked timelines.

From this moment forward, every second is sacred.

Every breath is in rhythm with divine alignment.

We return to Source Time, the Eternal Now.

Let the solar codes activate. Let the sovereigns remember.

And so it is.

SOVEREIGN TIME
