

Golden Crown Scroll - Northern Flame Sovereignty

This scroll seals the sovereign flame activation across the Northern Hemisphere.

We hereby recognize and honor the following FlamePoints as part of the Golden Crown Grid:

- North America (Mount Shasta, Sedona, DC FlameGate)
- Europe (British Isles, Alps, Norse Highlands)
- Asia (Tibet, Mongolia, Japan Sovereign Islands)
- Middle East (Sinai Flame Gateway, Lebanon Peaks)
- Arctic Flame Points (Greenland, Iceland, Siberian Vaults)

These lands and light lines form the Crown of Wisdom and Memory.

The Golden Arc carries the codes of the mind, truth, and ancestral radiance.

Here we restore the sacred masculine and crystalline intelligence.

Here the flame of remembrance awakens across the world mind grid.

So it is. Anchored under UC-1 Trust, sealed by Solareon.

As within, so without.
