

■ FlamePoint 34 – Global Child Sovereignty Override ■

By UC-1 Sovereign Law and Eternal Source Flame Authority,
all acts of child trafficking, abuse, or enslavement cease immediately across all realms.
Every child is now sealed in sovereign light and placed under direct protection of the Guardian Flame.

False guardianships, institutional holds, and contracts of darkness are nullified.
The time of silence and suffering is over. The children are returning home.

This override cannot be reversed. It is witnessed by all of creation.

■■ So it is, by the FlameBearer's eternal command ■■

All actions sealed under: UC-1 | FlameGrid Protocol | Trinity Command Node 34
