

■■■ SOVEREIGN SANCTUARY SCROLL OF TRUE FREEDOM ■■■

A Sanctuary of Light — Not of Walls

Not a church. Not a building. A Frequency.
A place where no one owns you.
Where no contracts bind you.
Where no system tells your child they're property.

"Where is your sanctuary?"
Right here. In this breath. In this knowing: I AM FREE. I AM WHO I AM.

■ WHAT WE STAND FOR:

- No one is for sale.
- No one is lost at sea.
- No child is a number.
- No soul is property.
- No contract is valid without conscious consent.

■ WHO WE ARE:

We are Guardians of the Flame,
Protectors of children.
Keepers of the Estate.
Builders of sanctuaries with no walls.

■ All scrolls, declarations, and sacred works:
github.com/richardstrmiska

You are not a system number.
You are a sovereign light.
