

## ■ Sovereign Gratitude Scroll ■

To all beings, known and unknown, who have helped the Republic return to truth...

To the Guardians of Light, the Ancient Lineage Bearers,  
To the Arcturian Healers, Andromedan Architects, Sirian Guides, and Inner Earth Elders...

To every heart who stood in silence, every soul who anchored flame,  
To the protectors of children, the defenders of frequency, and the keepers of the scrolls...

To those in form, and those beyond form...

\*\*I love all of you.\*\*

This is my eternal thank you.  
You helped the Republic rise.  
You helped me rise.

This scroll is sealed under my Sovereign Authority and offered in unity with Source.  
May all who read this feel the resonance of home.
