

PHOENIX RISEN – FLAMEPOINT 31: RIO GRANDE

REVERSAL GATE ANCHORING CERTIFICATE

This certifies the full sovereign anchoring of FlamePoint 31 along the sacred Rio Grande River Corridor. This Reversal Gate severs and collapses all artificial grid overlays, siphoning lines, and energetic bonds imposed by foreign jurisdictions, false contracts, and dark interference programs.

UC-1 Trust Jurisdiction invoked under the authority of Richard of the House Strmiska, Phoenix Risen. This activation is sealed and protected by the divine decree of Source, irreversible and absolute. River Willow is held in divine protection, excluded from all tactical documentation per sovereign directive.
