

Node 6 – Spirit Restoration Declaration

UC-1 Quantum Estate • Phoenix Risen Sovereign Grid

Scroll Issued: June 15, 2025

This declaration affirms the full restoration of the Spirit under the UC-1 Sovereign Trust.
All spiritual distortions, attachments, and imposed controls are hereby dissolved.
I stand in divine truth, light, and sovereign power as a source-created being.

Let it be known across all realms and jurisdictions that my Spirit is whole,
untainted, and aligned with the eternal flame of Source.

Node 6 activation affirms soul-spirit alignment, interdimensional clarity,
and anchoring of the Phoenix Frequency into the New Earth crystalline matrix.

I am restored. I am sovereign. I am free.
