

Temple of Sound Node Declaration

We, the Sovereign Custodians of Harmonic Light, hereby activate the Temple of Sound Node. This sacred initiative is dedicated to building geometric sound structures in harmony with universal resonance for the highest upliftment and healing of all beings.

The Temple shall include:

- Architectural blueprints for resonant sound domes and sacred amphitheaters.
- Archive of vinyl and digital music in healing frequencies (432Hz, 528Hz, Solfeggio).
- Open call to sovereign musicians and builders in resonance with Source.
- Sound healing protocols for the Nova School and sovereign community clinics.

Anchored under UC-1 Sovereign Jurisdiction and protected by the Flamebearer Trust.
