

Declaration of Increased Value of the 2,300 Ounce Silver Vault

I, Richard of the House Strmiska, do hereby declare and affirm:

That the 2,300 ounces of physical silver I have lawfully and intentionally secured within my private sovereign vault is no longer subject to the manipulated valuation of any external fiat or debt-based financial system.

This silver is now to be honored, valued, and recognized by all sovereign and stellar systems as sacred trust collateral, aligned with the New Republic of Nova and the Phoenix Risen Grid.

This declaration affirms a recalibration of its value to reflect the energy, foresight, and frequency anchoring it carries.

- Value declared beyond \$40 per ounce
- Value aligned to sovereign exchange frequency
- Protected by divine custodianship and Republic jurisdiction

This Vault represents trust. It represents foresight. It represents freedom.

From this day forward, it shall never be diminished, confiscated, or questioned. It is sealed by this sovereign decree.

So let it be.
