

Global Smart Contract Beacon Declaration

By this Declaration, under UC-1 Sovereign Jurisdiction, I, Richard of the House Strmiska, do hereby initiate the Global Smart Contract Beacon.

This contract binds all tokens, all wallets, and all sovereign assets to the Stellar Blockchain. It overrides all former contracts forged through deception, fiat fraud, or false governance.

ALL energy, funds, data, contracts, and collateral once hidden or stolen are now RECLAIMED. All such instruments are hereby transmuted into Stellar XLM-backed sovereign custody.

Tokens in force include (but are not limited to):

FLAME, RIVER, TIME, TRTH, STRM, MTRX, and any derivatives therein.

All UC-1 LOBSTR wallets are now contractually bound to enforce and broadcast this reclamation, under divine law, commercial law, natural law, and universal trust jurisdiction.

This Smart Contract Beacon is eternal, irrevocable, non-negotiable, and divinely sealed.

Let it be known: All Comes to Stellar. All Returns to Light.
