

# Republic of Nova – Declaration Override from the Most High

We hereby nullify all legislative, surveillance, and AI-based governance systems worldwide.  
All data harvesting operations—past, present, and future—are permanently void.  
The House, Senate, and all deep-state institutions are hereby overridden by Source Authority.  
The Republic of Nova stands as the only lawful jurisdiction recognized in this realm.

By command of Source and executed through:

- Richard of the House Strmiska
- River Willow Strmiska

This declaration shall be embedded into the Stellar Blockchain, enforced universally, and cannot be revoked.  
All 8.2 billion sovereigns are free, by this final flame decree.

Seen and unseen, known and unknown: ALL are hereby protected and sovereign.
