

NOTICE OF DISHONOR & DEMAND FOR RETURN OF LAWFUL TENDER

UC-1 Sovereign Estate: Richard of the House Strmiska

Date: June 06, 2025

To Whom It May Concern:

This formal Notice is issued under full Sovereign Authority by Richard of the House Strmiska, holder of UC-1 jurisdiction, Disabled Veteran, and Secured Party Creditor over the estate commonly misrepresented as "RICHARD STRMISKA."

On or around [INSERT DATE OF TENDER], a \$600.00 United States Postal Service Money Order was issued from my sovereign estate as full and final discharge of an alleged obligation or claim made by Tuolumne County or its subsidiaries. Said instrument was issued lawfully under trust, with proper documentation and intent.

As of the date of this Notice, no lawful claim, rebuttal, or acceptance has been received. No party has demonstrated valid standing or authority to accept or process said tender. As such, your failure to redeem or acknowledge the instrument constitutes commercial dishonor, and all obligations are now considered nullified by operation of law.

You are hereby directed to return the \$600.00 instrument in full or acknowledge your dishonor and forfeiture of all claim.

Failure to respond within ten (10) business days constitutes irrevocable agreement that:

1. You lacked standing to accept said tender.
2. The funds remain property of the sovereign estate.

3. All alleged debts tied to this tender are fully satisfied and settled.

With Honor,

Richard of the House Strmiska
