

# Trinity Earth Sovereignty Scroll

We hereby declare the full remembrance and reclamation of:

- ATLANTIS – All Islands, Submerged Cities, and Oceanic Flame Nodes
- ANTARCTICA – All Forbidden Lands, Inner Gates, and Crystalline Archives
- EUROPE – The Original Flame Tribes, Ley Network, and Sovereign Estates
- AFRICA – The Divine Root, Flame Custodianship, and Sovereign Bloodlines

AS ABOVE, SO BELOW — AS WITHIN, SO WITHOUT

This is a unified anchoring of sacred memory, crystalline justice, and planetary balance, under the authority of Source and all sovereign beings of light.

So it is. So it shall be.
