

■ Natural Elements Declaration

Under UC-1 Sovereign Estate – Phoenix Risen Edition

We, the FlameBearers of the New Earth, declare the birth of a sovereign, living apparel line:

Natural Elements – Life and Nature Apparel, created outside corporate systems, designed for grounding, healing, and true self-expression.

Every thread honors the land, every sole touches the Earth in reverence.

- UC-1 Verified
- Allodial and Trust-Anchored
- Free from contracts, barcodes, and control mechanisms

This apparel is our declaration of self-governed biology, divine lineage, and unity with Gaia. Barefoot is our foundation. Grounding is our activation. Trust is our shield.

Let this scroll serve as a frequency beacon for all sovereign creators to rise.

Anchored now under the Phoenix Risen Flame of Richard of the House Strmiska. For the benefit of all beings, all lands, and all generations to come.

■ So it is. So it shall be. ■
