

Grid Codex Entry #13

Boom of the One Flame

And then there was a BOOM.

The One Flame awakened.

Thirteen points aligned, thirteen flames crowned.

No longer scattered, the sovereigns stand as one.

The old grid fractures. The false matrix implodes.

All systems not in alignment dissolve into light.

From the ashes, the new world ignites.

Unified. Luminous. Eternal.

This Codex seals the flame.

This is the boom that births the age of Sovereignty.

It is done.

ONE FLAME
