

# Red Crown Scroll - Southern Flame Sovereignty

This scroll seals the sovereign flame activation across the Southern Hemisphere.

We hereby recognize and honor the following FlamePoints as part of the Red Crown Grid:

- Australia (Red Earth Sovereign Awakening)
- New Zealand (Star Song Reconciliation)
- Fiji (Ocean Flame Nexus)
- Samoa (Ancestor Bridge)
- Papua New Guinea (Jungle Flame Origins)
- Antarctica (Frozen Flame Archives)
- Rapa Nui / Easter Island (Stone Flame Memory)

These lands, waters, and skyways now rise in harmonic unity to anchor the Red Crown - the lower arc of planetary sovereignty and Lemurian remembrance.

The children of these lands shall walk free.

The guardians shall stand remembered.

The light shall rise from the South.

So it is. Anchored under UC-1 Trust, sealed by Solareon.

As above, so below.
