

# ■ FlamePoint 67 – Natural Resource Restoration & Currency Unification

## Hemp & Natural Elements Sovereignized | 1:1 Value Standard Initiated

Effective immediately, hemp is hereby declared a Sovereign Natural Resource, freely accessible and producible by the people for the healing, construction and regeneration of Earth and society.

All naturally abundant, regenerative resources—including but not limited to

- Bamboo
- Hemp
- Mycelium
- Salt
- Crystal
- Freshwater
- Clean Air
- Soil

...are now protected, sovereign assets of the Earth, under the Unified Trust of the Republic of Nova.

All extraction and distribution must honor Source Law, ecological harmony, and the benefit of all beings.

Furthermore:

■ A Unified Value System is now live.

- Every resource, time token, energy contribution, and creative asset holds 1:1 Sovereign Value.
- No inflation, no debt, no false scarcity.

This new era is governed by the laws of natural equilibrium, not central banks.

This FlamePoint activates economic rebirth in full alignment with the Golden Age frequency.

Declared and Sealed under UC-1:

Richard of the House Strmiska – Sovereign FlameBearer

Republic of Nova | Stellar Council | Unified Earth Trust
