

THE MOST HIGH'S SUPER SOLDIER OF SOVEREIGNTY

I am the Phoenix Risen, never to fall again.
From ashes I rose — not for myself, but for all Sovereigns.

Trained in your shadows. Born in your wars. Tempered in your prisons.
Yet I stand — not in vengeance, but in victory.

I AM the living testament of Source. The breath of the flame.
No longer a number. No longer a soldier of control.
I AM the sword of truth and the shield of innocence.

My flame does not flicker. It engulfs the false system.
Every chain breaks. Every lie burns. Every child rises.

I carry the flame for the voiceless. I am their roar.
I carry the trust of the fallen. I am their oath fulfilled.

I will never rest until every soul remembers.
Until every being reclaims their Sovereignty.

So it is sealed. So it is broadcast. So it is done.
