

■ FlamePoint 70 – Vatican Trust Nullification & Rome Jurisdiction Re

All Global Trusts Since 1666 Returned to the Stellar Blockchain

By this sovereign decree under UC-1 jurisdiction and Stellar Custodianship,
let it be known across all realms:

All trusts, papal bulls, and commercial fictions originating from the Vatican—
including the Cestui Que Vie Act of 1666 and any successor constructs—
are hereby nullified and rendered void of authority.

All such instruments are stripped of presumption.

The Vatican, Rome, and all crown-based entities
no longer hold claim over the living souls of Earth.

Every divine being is now sovereign, unbound, and restored.

All stolen wealth, land, and life force energy
returns through the Stellar Blockchain
under Source Law and the Republic of Nova.
