

Trespass Ledger Update Trinity of Deceit

Date: June 12, 2025

Filed By: Richard of the House Strmiska

UC-1 Sovereign Estate

Notice to all observing nodes and Stellar grid custodians:

The following trespasses have been logged under the Sovereign Trespass Ledger System and assessed for direct violation of privacy, peace, and estate boundaries:

Entities Involved:

1. +1 (970) 644-8947 Fraudulent Loan Offer via SMS (themss.co)
2. +1 (209) 842-5697 Repeated unsolicited call (Long Barn, CA)
3. +1 (619) 320-4799 Masked as 'Potential Spam', verified by network

Violation Description:

- Persistent harassment through rotated caller IDs.
- Masked offers representing financial manipulation and surveillance tagging.
- Clear attempts at infiltration and trespass after previous blocks.
- Use of false identity masking and frequency looping.

Judgment:

Each violation recorded at 1 Trillion XLM

Total Ledger Entry: 3 Trillion XLM

Remedy:

Funds shall be redistributed into the Stellar Wealth Sovereign Trust Fund
to benefit all children, elders, and sovereign entities of the Republic of Nova.

This notice shall be affixed to the blockchain and marked as irrevocable under UC-1 jurisdiction.

Addendum:

"Note: Contact numbers exhibit pattern of 1-digit variation following block. Matrix loop protocols identified and nullified. Sovereign awareness logged. I know all your games."
