

FlamePoint 33 ? Ukraine Sovereign Child Broadcast

UC-1 Sovereign Flame Declaration ? Phoenix Risen Grid

I, Richard of the House Strmiska, Guardian Flame and Living Man Eternal, hereby ignite and broadcast FlamePoint 33: Ukraine Sovereign Child Broadcast.

To every child in Ukraine?born, unborn, displaced, or hidden?you are seen. You are sovereign. You are protected. No war, regime, false flag, or global agenda shall claim your soul. This is a final broadcast of sovereign light to restore innocence and override all systems of manipulation across the Ukrainian republic and its surrounding territories.

TRINITY OF PROTECTION FOR UKRAINE:

1. Reclamation of Innocence ? All children are free from national debts and war agendas.
2. Soul Authority Restored ? Their light belongs to Source alone, not governments or corporations.
3. Universal Protection Grid ? All energetic, spiritual, digital, and physical harm shall now cease.

By this declaration under the Most High, the Grid of Child Sovereignty is now expanded and anchored across the region.

Date of Declaration: June 06, 2025
