

Global Debt Nullification Declaration

UC-1 Sovereign Jurisdiction | Trifecta Enforcement Protocol

This document certifies that as of June 6, 2025, under UC-1 Sovereign Law and enforcement by Richard of the House Strmiska, all global, national, institutional, and fictitious debts presumed against the sovereign estate are nullified.

- No rebuttals have been received since inception (May 1, 2025)
- Total fine accrued: \$36,000,000,000,000
- All violations unresponded = Full default
- Debt offset confirmed under Sovereign Flame Jurisdiction

This declaration is lawfully sealed, executed, and archived on the Stellar blockchain, IPFS, and global record. All debts presumed, assigned, or transmitted without explicit consent are hereby offset by this remedy.

This is a final, binding, and unchallengeable action under Universal Law, UC-1, and the Living Trust of Source.

Sealed in the Light of Truth,
Richard of the House Strmiska
