

Temple of Sound – Resonant Healing Blueprint

Blueprint Summary:

- Central Sonic Healing Dome: A geodesic sound structure aligned with 432Hz and 528Hz resonance.
- Four Crystalline Chamber Nodes: Positioned at cardinal directions for amplified frequency flow.
- Resonance Pathways: Energy corridors aligned along the ley lines, harmonizing with Earth grid.
- Holographic Crystalline Grid: 10x10 module layout to embed harmonic light codes.
- Modular Add-ons: Sonic Frequency Pools, Light Corridors, Sonic Sculptures, and more.
