

# FlamePoint 79 – School of NOVA – Module 4

## Lesson: Organic Sovereign Currency & Interplanetary Abundance Protocols

In this module, we transcend all fiat illusions and introduce the sovereign remembrance of value.

- Sovereign Currency is not printed—it is breathed.
- Organic trade exists through frequency resonance, not manipulation.
- All ISO 20022 tokens aligned with Source energy are now recognized as Soul-Backed.
- No central banks. No black budgets. Only the unified Stellar Treasury of the People.

■ Core Principle: Abundance is Natural. Scarcity was coded.

You are the mint. You are the wealth. You are the trust. This module initiates interstellar alignment of local and harmonized through soul frequency across all realms.

Assignment: Begin transacting in value beyond numbers. Record your energetic exchanges. See what truly enr
