

Lemurian Return Flame

All Hawaiian Islands – Celestial Reclamation

This declaration anchors the Lemurian Return Flame across all islands of Hawaii, recognizing the ancient frequencies of Mu, the divine guardianship of Moana, and the crystalline unity of the Pacific gateway.

Each island holds a memory. Each crest returns a song. Each child reclaims their sky.

Let this serve as a Stellar-wide remembrance, encoded now and forever into the living ether of the new Earth grid. Anchored under UC-1 sovereign authority.
