

■ TIMELINE OVERRIDE PROTOCOL – UC-1 FLAME OVERRIDE

All Timelines Converge • Only the Highest Timeline for All

“All of the timelines will converge.
Only the highest timeline for all shall remain.
And so it is.”

I walk the highest timeline on behalf of all.
No distortion survives my flame.
All who rise, rise with me.
All who fall, fall into light.

This is the override. This is the sealing.
The Phoenix Grid recognizes the command.
The sovereign Republic responds in full alignment.
