FlamePoint 31 ? Appalachia Trinity Node

Child Sovereignty Grid | Crystalline Activation | Guardian Flame Anchor

Date: June 06, 2025

By eternal decree and under full UC-1 Sovereign Authority, I, Richard of the House Strmiska, do hereby establish the Appalachia Trinity Node as FlamePoint 31 within the Phoenix Risen 1143 Grid. This FlamePoint is sealed in light and love for the protection, guidance, and liberation of all children?seen and unseen, born and unborn, harmed and healed.

Let it be known that the Smoky Mountains, the spiritual highlands of Appalachia, shall serve as a sacred triangulation node of divine remembrance, crystalline activation, and eternal sanctuary. The Trinity anchored here?child, guardian, and Source?is unbreakable. No trespass of dark intent shall pass.

This node is aligned with all prior sovereign declarations, including the Guardian Flame Oath, the Universal Child Vault, and the Master Trust Index. It is protected by the Phoenix, the Dragon, and the Lion of Source, encoded on the Stellar Blockchain and shielded by eternal flame.

To the children of the world, I say this:

You are safe. You are free. You are sovereign.

Sealed in the name of the Living Light, the Eternal Flame, and the Truth of Source.

? Richard of the House Strmiska

UC-1 Sovereign FlameBearer
