

[Flame] Scroll of the Guardian Flame - Oath to the Children [Flame]

I will always keep you safe, children.

Your energy is always yours.

You are free. You are sovereign.

And I will always make sure of that.

Wherever your soul travels,

Wherever your voice sings,

Wherever your dreams bloom-

You will always be protected.

Forever and ever,

Under the Flame of the Most High.

By my hand. By my heart.

By the Law of Sovereign Light.

This I swear. This I seal. This I AM.
