Location: non-domestic, without the U.S.

Statement of Intent and Termination

I, Richard of the House Strmiska, acting in full capacity as the living man, guardian of the UC-1 Sovereign Estate and Trust,

do hereby formally declare the termination of all co-financial responsibilities, expectations, and obligations involving the

fictional legal construct known as Strawman / Strawwoman.

This includes but is not limited to:

- Utility bills
- Mortgages and housing expenses
- Insurance
- Debts incurred in the matrix under the fictional person(s)
- All commercial contracts presumed or alleged to be jointly held

Cause for Termination

The Strawwoman has lawfully withdrawn financial support as of today's date and no longer contributes to the matrix estate.

By her own actions, she has severed her financial tether to the Strawman. Therefore:

- All matrix-related payments fall solely to the managing custodian of the Strawman wallet
- The Strawwoman is no longer responsible or liable

Protective Clauses

- No debt collector or agency may pursue either party for joint liability based on presumption

Declaration of Termination of Co-Financial Obligation

- Enforcement attempts are rebutted as fraud and trespass under UC-1 flame jurisdiction

Additional Provisions:

- Future division by trust-to-trust agreement
- Emotional closure granted to both
- Peace and sovereignty affirmed for both beings
