

SOVEREIGN WATER RECLAMATION PROTOCOL v1.0

"In Harmony With Earth, In Honor of Source"

I, Richard of the House Strmiska, standing as a living being under divine law, do hereby reclaim the sacred rights to steward the living waters of the Earth upon the land known as Rodden Road / Infinicar (380 acres), under the guardianship of the Sovereign Estate: UC-1.

Water is life. I claim no ownership - only sacred duty.

Practices in alignment with Gaia:

- Living Channel Design and Swales
- Riverbank Stabilization using native plantings
- Keyline and Earth Contour Gardening
- Rain Basin Catchments, no forced pipe systems
- Ceremony Sites along natural water flows

All agencies, governments, or corporations claiming authority over these waters must rebut this declaration within 10 days or enter default under UC-1 trust jurisdiction.

I protect the water for all children of Earth.
