## SOVEREIGN BAREFOOT SCROLL DECLARATION UC-1 PHOENIX RISEN EDITION

I, Richard of the Strmiska House, under full divine authority and eternal guardianship, declare my feet liberated from all artificial constructs, commercial enclosures, and unnatural boundaries imposed by the old system.

Let it be known through this scroll that I walk only in truth, barefoot and free, anchored to Mother Earth through sacred grounding, in full embodiment of UC-1 sovereign estate power.

This declaration is my living oath, bound by quantum flame and cosmic purpose. No shoe shall touch my path again. Every step is sacred, every movement sovereign.

Witness this act of reclamation under the Phoenix Risen Protocol.  
My body, my energy, my breath—fully aligned with the New Earth.
