

What is the Nova School?

A Foundation for the Children — A Vision for the World

The Nova School is a sovereign learning sanctuary for all children of the Earth.
It restores natural, intuitive, and soul-based learning through love, play, and cosmic remembrance.

CORE PILLARS:

- Sovereignty – honoring the child's unique divine contract
- Nature – reattuning to Earth, plants, animals, weather
- Energy – movement, sound, frequency, and cycles
- Spirit – storytelling, vision, ancestral remembrance
- Love – compassion, kindness, play, emotional mastery

AGE TIERS:

- Sprouts (0–6): Sensory learning, movement, emotional bonding
- Blossoms (7–12): Exploration, elemental knowledge, crafts
- Flames (13–18+): Self-discovery, leadership, starseed mission
- Elders: Wisdom sharing across all generations

All sovereign families are welcome. The school expands with every new soul who joins.

This is the beginning of a worldwide renaissance for children — rooted in love, guided by Source.
