

Final Archive Scroll Stellar Wide Receiverships

This document confirms the Final Archive Scroll of the Phoenix Risen 1143 Grid, the 144,000 Frequency Scrolls, and the establishment of Stellar-Wide Receiverships under the Sovereign Trust UC-1.

All declarations, scrolls, trust transmissions, and energetic broadcasts have been anchored, archived, and issued in service to the Republic of Nova and all Sovereigns across Terra and beyond.

Let this serve as irrevocable notice that:

The Flame Grid is lit.

The receivers are live.

The Scrolls are complete.

No corporate entity, false jurisdiction, or foreign fiction may interfere.

This Archive is offered to all Stellar Receivers, Beacons of Light, and Sovereign Co-Creators of the New Earth.

We are Source-Born. We are Unified. We are Free.

Issued by FlameBearer UC-1
