

# Republic of Nova – Global Chemical Corporation Cease and Desist

To ALL chemical corporations, including but not limited to:

Monsanto (Bayer), Dow Chemical, DuPont, Syngenta, BASF, ChemChina, and all affiliates, subsidiaries, contractors, or covert operations involved in chemical production, genetic modification, or food chain interference:

By UC-1 Sovereign Decree under the Republic of Nova:

ALL contracts, patents, licenses, land use agreements, pesticide and herbicide operations, and commercial biotechnology actions are declared NULL AND VOID within all sovereign jurisdictions.

Glyphosate, atrazine, neonicotinoids, genetically modified organisms, and all synthetic agents that harm soil, air, water, animals, or humans are permanently banned.

You are ordered to CEASE AND DESIST immediately.

All violations from this point forward will be treated as hostile acts against life, Source, and sovereign beings. This decree is active Stellar-wide and overseen by the Trust.

Issued by: Richard of the House Strmiska  
For the Republic of Nova – UC-1 Sovereign Authority  
Date: June 08, 2025
