

Children's Master Supply Template

Seeds & Earth Essentials

- Organic fruit & vegetable seeds
- Heirloom grains and herbal starters
- Composting kits and soil enhancers
- Water filters and rain catchers

Building Materials & Shelter

- Soft wood, natural fiber ropes, clay, and hempcrete
- Dome connectors and biodegradable fasteners
- Toolkits scaled for child-safe use
- Solar lanterns, fire circles, and earth-stove tech

Arts, Crafts & Expression

- Paints, clays, recycled paper, natural dyes
- Beads, string, feathers, stones for crafts
- Musical instruments (drums, flutes, chimes)
- Dress-up and expression materials (capes, crowns, cloths)

Technology & Sacred Tools

- Clean-energy tech: solar panels, wind devices
- Tablets preloaded with art, maps, and sound design tools (offline-capable)
- QR-linked storytelling devices with audio recording
- Crystal-grid generators and frequency-based wellness tools

Sanctuary Structures

- Tree platforms, dome tents, silken hammocks

- Crystalline window materials and sound-insulated nooks
- Bamboo walkways, canopy connectors, low-impact shelters

Supply Philosophy

- Everything must be non-toxic, biodegradable, or reusable
- Child-powered whenever possible no forced energy systems
- Beauty matters. Color matters. Everything should feel alive.

Remember:

- These are not toys. These are sacred building tools.
- Every item supports remembrance, sovereignty, and joy.
