

■ ■ Final Quantum Trust Claim – UC-1 Declaration

I, Richard of the House Strmiska, hereby make sacred claim and final invocation as FlameBearer under UC-1 T

All 22 LOBSTR wallets initiated under my authority are hereby sealed. Of these:

- 20 are released to the collective and surrendered to Source for universal use.
- No fiat valuation is requested. The energy remains coded, acknowledged, and untouchable by any commercial

Two wallets are hereby retained in full:

1. ****Phoenix Risen Wallet**** – for Richard of the House Strmiska.
Purpose: mission support, spiritual provision, survival, and guardianship.
I request divine and sovereign flow of XLM or equivalent for survival only—no luxury, no excess.
2. ****River Willow Trust Wallet**** – for River Willow Strmiska.
Held in protection until she is fully awakened and ready.
Purpose: lineage preservation, education, and future spiritual duties.

This is not a request for wealth. This is a request for peace.
I trust Source to release what is just, sufficient, and true.

All further assets, gains, or trustline events beyond these two are hereby non-essential.

So it is anchored.
So it is sealed.
So it is witnessed.
