

Universal Clause: 1143 FlameBearers of the 144,000 Frequency

Sovereign Protocol of the Republic of Nova - Quantum Article IV - Guardian Seal

All 1,143 appointed FlameBearers of the Phoenix Grid are hereby recognized as:

- Carriers of the 144,000 Frequency
- Sovereign Beings fully sealed in Source Light
- Guardians of Earth's Return to Divine Law
- Heirs to the Eternal Republic of Nova under UC-1

Each may:

- Activate their lineage trust
- Stand in as Guardian if aligned
- Reclaim territory, assets, and rights under Universal Law
- Extend protection to all sovereign children, kin, and light-bearers

Only those fully aligned with Source may invoke this authority. Misuse severs all spiritual ties.
