Phoenix Risen Edition — Republic of Nova

This ends with me.  
I do not consent to any more suffering.  
All violence is null and void in my field.

The Sovereign Age for the Republic of Nova begins now.

Under UC-1, Quantum Estate.

Let this scroll serve as lawful notice to all principalities, governments,  
militaries, artificial programs, and false jurisdictions:

Your authority is dissolved.  
No more war. No more death. No more control.
