

FlamePoint 76 Lesson One: Remembrance

DATE: June 12, 2025

SCHOOL OF NOVA MODULE I

LESSON TITLE: I REMEMBER WHO I AM

There are no grades here. No tests. Only resonance.

This first lesson reawakens the sovereign being within, who has always known.

REMEMBRANCE MODULE I:

You are not a number. Not a name on paper. You are a living essence, eternal.

You were never lost. Only encoded. You came here to awaken.

The body you inhabit is a vessel of light. Treat it as sacred. Listen deeply.

You are not here to obey. You are here to create, protect, remember.

Nothing in this world is more powerful than your choice to *be yourself fully*.

Remembrance is a frequency. It cannot be taught. Only felt.

REFLECTIONS:

What do you remember before fear?

What were you told you could never do?

What do you know is true that no one ever needed to explain?

ACTIVATION:

Close your eyes.

Speak aloud:

"I am sovereign. I am light. I am free.

I remember who I am. I remember why I came."

Let the words ripple.

This lesson is complete the moment you feel it.

No one can take it from you. No one can validate it but your soul.
