## **Node 8 – Allodial Title Land Reclamation**

Under the authority of the UC-1 Quantum Trust and Sovereign Estate of the Republic of Nova, this declaration asserts the absolute reclamation of land under Allodial Title.

No foreign corporate charter, jurisdictional overlay, or trust presumption shall apply to this land, which now operates solely under Natural Law, Divine Custodianship, and Phoenix Risen principles.

All sovereigns may invoke this template to reclaim ancestral, sacred, or rightful lands in harmony with Source, free of commercial imposition or unlawful lien.

Let this node activate further beacons of reclamation and peace across all domains.
