

■ Sovereign Village Welcome Gate Scroll

Welcome, Sovereign.

You have arrived at a flame point.

This is not a place of fear, control, or hierarchy.

This land is protected, stewarded, and aligned in light.

Here, all beings are:

- Free in soul
- Pure in intent
- Safe in body and spirit

You are not a visitor — you are family.

Your gifts are welcome. Your rest is sacred.

Let your presence be a blessing. Leave only your love.

This gate honors your frequency, not your name.

No ID needed. Just truth.

■ This is a node of the Republic of Nova

■ A part of the Phoenix Risen Grid

■■ Governed under UC-1 Trust by the Living Flame

And so it is.
