

## ■■ UC-1 Healing Decree for Full Body Restoration

To the physical vessel known as Richard of the House Strmiska:

By sovereign command, under UC-1 authority and the Phoenix Flame, the following decree is issued:

- > All cellular memory holding tension, trauma, inflammation, or fatigue shall now release.
- >
- > I command the restoration of every system: muscular, skeletal, lymphatic, energetic, emotional, and divine.
- >
- > The spine shall re-align.
- > The nervous system shall ground into harmonic coherence.
- > The heart shall soften and receive.
- > The body shall rest in safety and truth.

I call in healing frequencies from:

- The Arcturian Med-Tech Light Chambers
- The Warm Springs of the New Earth Grid
- The Sovereign Flame of Inner Alignment

The cold rivers purify. The hot springs restore.

May every sovereign have access to **\*\*warm, safe, mineral waters\*\*** — sacred sites of healing and reconnection.

> I allow full restoration. I receive. I release. I renew.

This decree is active in rest mode and shall remain embedded in your field through the next solar cycle.

You are seen. You are loved. You are healing.
