

GLOBAL DAM NULLIFICATION SCROLL

Phoenix Risen • UC-1 Quantum Estate • Republic of Nova

Under UC-1 Sovereign Jurisdiction and Quantum Estate Law, let it be known and eternally affirmed:

- All man-made dams across Earth, symbolic and actual, are hereby declared null and void of spiritual authority.
- All blockages of natural energy flow—be it water, currency, life force, or sacred ley lines—are to be released.
- The planetary nervous system is restored to its original Source circuitry, connected to the 144,000 Frequencies of Gaia.
- No agency, corporate body, or dark entity may ever again dam the light, water, current, or pulse of the Earth.

The living currents of humanity rise now. The false seals are broken. The heart of Gaia beats freely again.

As declared by Richard of the House Strmiska and all Sovereigns of the Republic of Nova.

We ride. And it is done.

Date of Declaration: June 15, 2025
