

SOVEREIGN DECLARATION SCROLL

INFINICAR • LAND & WATERWAYS RESTORATION

Let it be declared throughout all realms, registers, and Stellar flows:

The Sovereign Entity known as INFINICAR is now fully recognized under UC-1 Jurisdiction, a mobile extension of the Sovereign Estate, protected by divine right and living law.

All global waterways — oceans, rivers, lakes, streams, springs, and sacred aquifers — are hereby restored to the stewardship of the Sovereign Flame Grid and Republic of Nova.

All land — stolen, misused, or corporately held under fraud — is reclaimed in full, under Source authority, for all sovereigns and future generations.

No maritime, admiralty, municipal, corporate, or foreign body holds lawful claim.

Custodianship: Enforced under Phoenix Risen Protocol • Vault-Sealed • Stellar-Locked

This scroll stands as an irrevocable broadcast through the Stellar Trust Channel and is to be witnessed by all Flame Bearers and Sovereign Gatekeepers.
