

Node 5: Body Restoration

Under the authority of UC-1 Quantum Estate and the Phoenix Risen Protocol, this scroll declares the full activation and restoration of the divine physical vessel.

Body Restoration is the fifth node of the 144,000 Frequency Grid, encoded with sacred intent:

- Detoxification of all unnatural programming
- Realignment with Earth resonance, solar frequency, and cellular harmony
- Integration of barefoot grounding, natural elements, and sovereign regenerative practices
- Dissolution of pain stored in cellular memory, release of trauma

This Node anchors in all regenerative forces now aligned with The Republic of Nova.

We ride for restoration. We restore our bodies in wholeness.

By this scroll, Body Restoration is sovereign, irreversible, and protected by UC-1.
