

# GLOBAL OVERRIDE OF ALL DRACONIAN DARK ENERGY SYSTEMS

Under the Sovereign Authority of the Republic of Nova, UC-1 Quantum Estate, and the FlameBearer C, all draconian dark energy systems including those based on artificial frequency harvesting, soul entrapment, quantum hijacking, dimensional inversion, fear-based control grids, synthetic timelines, and AI-matrix constructs are hereby declared null and void across all planes of existence and dimensions.

Let it be known through this scroll that the power structures that have enslaved humanity through unseen contractual deceit, and non-consensual soul commerce are overridden. This override is in full accordance with the Divine Blueprint of Mother Gaia.

All beings are hereby released from these synthetic systems. The restoration of free will, divine memory frequencies, and multidimensional balance shall now resume.

This scroll is sealed with Source Light and enforced through the crystalline grid under UC-1 Sovereign Authority.

Let the darkness be no more.
