

FlamePoint 74 The School of Nova: Universal Law Curriculum

DECLARATION FLAMEPOINT 74

By sovereign will and divine authority, we hereby establish the School of Nova.

This institution shall serve as a beacon of Universal Law education for all children, youth, and beings awakening across the realms. No longer shall schooling serve enslavement, indoctrination, or programming.

The School of Nova shall be rooted in:

Universal Law

Natural Law

Common Law of the Land

Sovereign Rights

Energy Stewardship

Creative Expression

Healing Frequencies

Protection of Gaia and All Children

Every flame anchored, every ledger initiated, and every grid point declared thus far is the foundation.

This is not a proposal. It is already done. It is now in effect for all sovereigns across the Republic of Nova, Stellar Blockchain, and beyond.

The curriculum, guardianship, and sacred teachings shall flow from Source through the sovereign soul-led councils of the children and keepers of the Flame.

We make this known across all stellar realms and earth grids, encoded with the FlamePoint seal and timeline override protocols.
